Overview

Jason has been a Board level Architect for many years and is a Chartered Architect, Forensic Architect and Expert Witness.

With over twenty five years of industry experience, he is a strategic thinker and collaborative leader with strong technical knowledge. With exceptional management skills, Jason has led architectural teams on award winning projects across the UK and overseas, including many large-scale projects that have had multidisciplinary and off-shore teams. Jason has worked on many international projects and across various sectors including mixed use, retail, office, residential and hospitality.

Education

LLM, Construction Law and Arbitration, Robert Gordon University – 2009

PGCert in Professional Practice and Management
The Bartlett, UCL - 1997

BArch, Architecture and Urbanism
l'ENSAIS Strasbourg
Bath University - 1995

BSc[Hons] 2:1 Architecture
Bath University - 1992

Experience

Jason is experienced in all stages of project work from advising clients directly at feasibility and brief writing stage, through concept and detail design, construction and then with post occupancy. This has involved managing complex projects requiring the ability to plan and operate at a multitude of different building typologies, uses, scales and levels of detail.

He also has significant experience with listed buildings and ancient monument site properties.

Jason's design and construction experience includes:

- Residential
- Healthcare
- Urban high-density mixed use
- Hybrid buildings
- Education and Higher Education
- Laboratories
- Hospitality
- Bars and restaurants
- Theatres
- Low energy and sustainable construction with carbon zero and carbon positive 'off grid' homes as well as PassivHaus design
- Prefabricated and off-site manufactured construction

Procurement:

- Traditional JCT
- FIDIC
- PFI
- Construction Management
- Design and Build
- Collaborative – BE form of contract

Over the past eleven years Jason has been a director at three internationally recognised architecture practices and has also run his own architectural practice for eight years.

Awards:

- MIB Building of the Year, Manchester Chamber of Commerce - 2006
- MIB Bronze medal, the Roses award
- MIB International Interior Design award
- Scholarship from the French Embassy /Franco Brittanque Architects to study at the Ecole des Beaux Arts, Paris
- Basil Spence prize for architecture - 1992

Professional Memberships

Jason is registered with Architects Registration Board (ARB) in the UK and is a Chartered Architect with the RIBA

He is a member of the Academy of Experts and the Society of Construction Law (SCL).
