

Philip Veall

MACantab MSc DipArch RIBA

- Chartered Architect
- Over 15 years' experience
- Building forensics
- Architect Expert Witness
- Façade Engineering
- Historic Buildings

Overview

Philip is a Forensic Architect and Expert Witness who has been instructed on behalf of property developers, home owners, architects and building contractors in matters requiring investigation of fire, and weather-tightness performance of the building envelope via site investigation, and analysis of design and contract documents.

As a Chartered Architect, Philip has over 15 years of experience in practice. He has worked on award winning architectural design projects, from concept design through to delivery on site. Many of the projects have involved working in sensitive historic contexts.

Education

Masters of Science, Façade Engineering, with distinction, CWCT/University of West of England, Bristol – 2017-2019

Postgraduate Diploma in Professional Practice in Architecture (RIBA Part III), Kingston University, London – 2005

Diploma in Architecture (RIBA Part II), Cambridge University – 2001 - 2003

Masters of Arts (Honours) in Architecture (RIBA Part I), Cambridge University – 1997 - 2000

Experience

Philip joins Sense Studio with technical experience as a project architect with speciality knowledge of building envelope performance matters in both new-build and historic buildings.

Philip has been involved in the design of a wide variety of building types for a number of internationally recognised, award-winning architectural practices, leading teams of architects, co-ordinating the work of other design consultants, and collaborating with specialist contractors across a broad range of building types, from arts and cultural buildings,

educational facilities and major railway termini, to private residential buildings.

Of particular note are the following:

- *London Bridge Station, London, Grimshaw* – Shortlisted for the RIBA Stirling Prize, 2019.
- *Mshreib Museums, Doha, John McAslan + Partners* – Civic Trust Award 2017, AIA UK Award, 2018, Aga Khan Award for Architecture, 2019.
- *Kings Cross Station, London, John McAslan + Partners* – European Union Prize for Cultural Heritage, Europa Nostra Award, 2013.
- *Royal Observatory, Greenwich, Allies and Morrison* - RIBA National Award 2008, RIBA Regional Awards 2008, Civic Trust Award 2008, AIA UK Chapter Excellence in Design Award, 2008.

Professional Memberships

Philip is registered with the Architects Registration Board (ARB) in the UK, and is a Chartered Member of the Royal Institute of British Architects.
